Guidance	Action to mitigate the introduction and spread of COVID-19
Hygiene	
<p>Provide and promote hand sanitiser stations for use on entering buildings and other locations in the worksite, and ensure adequate supplies of hand soap and paper towel are available for staff.</p>	<ul style="list-style-type: none"> - Infrastructure to ensure an adequate supply of hand sanitiser, liquid soap, paper towel and disinfectant is available. Each building should have hand sanitiser and disinfectant wipes provided in entrances and occupied rooms. - Supply is being checked at the start and end of each day. - Cleaning contractor arrangements to include COVIDSafe daily end-of-school-day routine cleaning of all buildings' surfaces, with a focus on high-touch surfaces using a hospital-grade disinfectant. - Staff are being reminded to carefully place all paper towels, wipes and disposable personal protective equipment (PPE) in bins for cleaners to collect. - Bin liners are being replaced daily or as required and, if reused, disinfected. - Information has been provided to staff on washing hands or using hand sanitiser before and after moving between rooms or buildings, and after touching any doors. - Infrastructure to ensure an ample supply of > 60% alcohol-based hand sanitiser is available. <p>For more information: Infectious Cleaning Guidelines.</p>
<p>Where possible, enhance airflow by opening windows and adjusting air conditioning.</p>	<ul style="list-style-type: none"> - Group activities have been rearranged to occur outdoors or in large indoor spaces where possible. - Staff are being encouraged to open windows and doors to promote airflow where possible. - Heating/split system filters are being cleaned on a regular basis to reduce the risk of airborne transmission. - Air conditioning systems have been set to use fresh air. <p>For more information: School Operations Guide (Term 2).</p>
<p>In areas or workplaces where it is required, ensure all staff wear a face covering and/or required PPE, unless a lawful exception applies. Ensure adequate face coverings and PPE are available to staff who do not have their own.</p>	<p>Continuation of remote and flexible learning</p> <p>Based on advice from the Victorian Chief Health Officer, schools in metropolitan Melbourne and regional Victoria will continue with remote and flexible learning until Thursday 2 September 2021, except for students in the following categories:</p> <ul style="list-style-type: none"> - Category A - Children where both parents and or carers are considered <u>authorised workers</u> who cannot work from home, work for an essential provider and where no other supervision arrangements can be made: <ul style="list-style-type: none"> o Where there are two parents/carers, both must be essential workers, working outside the home in order for their children to be eligible for on-site provision.

Guidance	Action to mitigate the introduction and spread of COVID-19
	<ul style="list-style-type: none"> ○ For single parents/ carers, the essential worker must be working outside the home in order for their children to be eligible for on-site provision. - Category B - Children experiencing vulnerability, including: <ul style="list-style-type: none"> ○ Children in out-of-home care ○ Children deemed vulnerable by a government agency, funded family or family violence service, and assessed as requiring education and care outside the family home ○ Children identified by a school or early childhood service as vulnerable, (including via referral from a government agency, or funded family or family violence service, homeless or youth justice service or mental health or other health service) - Where a parent/carer indicates that a student with a disability is vulnerable because they cannot learn from home, and/or informs the school the student is vulnerable due to family stress, the school must provide on-site supervision for that student. This may apply to students enrolled in specialist schools and students with a disability enrolled in mainstream schools. All specialist school staff will be required to be available to work on-site, except those medically vulnerable. - School staff and secondary school students aged 12 or older must always wear a face mask at school, including when attending an Outside School Hours Care (OSHC) program, unless a lawful exception applies. - Children under 12 years of age and students at primary school are recommended to wear face masks when at school, or when attending an OSHC program. - For communication purposes, teachers and education support staff are not required to wear face masks while teaching, but those who wish to do so, can. - Face masks are mandatory for all school staff and school students aged 12 or older when travelling to and from school on public transport and when in taxis or ride share vehicles, and recommended for primary school aged students. <p>For more information: DHHS guidance on face masks.</p>
<p>Provide training to staff on the correct use and disposal of face coverings and PPE, and on good hygiene practices and slowing the spread of coronavirus (COVID-19).</p>	<p>All staff are being briefed on infection control precautions:</p> <ul style="list-style-type: none"> - Avoid people with fevers, sweats, chills or flu-like symptoms. - Use hand sanitiser between classes and after contact with commonly touched surfaces. - Maintain good cough etiquette. - Do not touch, kiss or hug others. - Use disinfectant wipes to clean computers and desks between different users and at the end of the day. - If a person has been advised by the DHHS that they are considered a 'close contact' of someone with a confirmed case of COVID-19, they must: <ul style="list-style-type: none"> ○ notify the school or office, self-isolate and arrange to be tested ○ not return to work until test results are obtained. <p>The DHHS will notify the school if a student is identified as a close contact of a person with COVID-19. The school will:</p> <ul style="list-style-type: none"> - liaise with the DHHS to confirm the student identified as a close contact is not attending school during quarantine and testing requirements - send the student home if they are attending school. <p>For more information: School Operations Guide (Term 2).</p>
<p>Replace high-touch communal items with alternatives.</p>	<p>Progressive cleaning of high-touch surfaces throughout the school day is no longer required, noting that schools have in place a range of complementary COVIDSafe strategies to reduce transmission risk.</p> <p>For more information:</p> <ul style="list-style-type: none"> - School Operations Guide (Term 2) - Infectious Cleaning Guidelines.

Cleaning	
<p>Increase environmental cleaning (including between changes of staff), and ensure high-touch surfaces are cleaned and disinfected regularly (at least twice daily).</p>	<p>Progressive cleaning of high-touch surfaces throughout the school day is no longer required, noting that schools have in place a range of complementary COVIDSafe strategies to reduce transmission risk.</p> <ul style="list-style-type: none"> – Staff are being informed of the enhanced contractor cleaning arrangements and cleaning products. – Staff are being encouraged to regularly wipe down commonly touched surfaces with disinfectant wipes between classes. <p>Deep Cleaning Schools should close spaces that are not needed and only use the administrative and teaching spaces needed to maintain physical distancing requirements and effective learning conditions. To help us deliver any necessary deep cleaning, it's recommended that school staff working on site:</p> <ul style="list-style-type: none"> ○ keep desks neat and tidy ○ file important documents before leaving each day ○ take personal belongings home each day (such as jackets, shoes, hats, gloves and face masks) ○ do not leave food or food containers out in the open (such as tea bags, biscuits, fruit, used cups, used cutlery) ○ store away shared and loose items (such as toys, musical instruments, and sporting equipment) ○ keep personal cutlery in a sealed container, not left out on a workstation. <p>For more information:</p> <ul style="list-style-type: none"> – Infectious Cleaning Guidelines – Enhanced School Cleaning Guidelines.
<p>Ensure adequate supplies of cleaning products, including detergent and disinfectant.</p>	<ul style="list-style-type: none"> – Cleaning contractor arrangements to include performing a thorough COVIDSafe routine clean of all buildings' surfaces at the end of each day and/or increased frequencies using a hospital-grade disinfectant. – Staff are being encouraged to carefully place all waste and disposable PPE in bins for cleaners to collect. <p>For more information:</p> <ul style="list-style-type: none"> – Infectious Cleaning Guidelines <p>Enhanced School Cleaning Guidelines.</p> <p>For more information: School Operations Guide (Term 2).</p>

Guidance	Action to mitigate the introduction and spread of COVID-19
Physical distancing and limiting workplace attendance	
<p>Establish a system to screen employees and visitors before accessing the workplace. Employers cannot require employees to work when unwell.</p>	<p>Staff who must enter the workplace for authorised work for 'Category A' will need to carry a <u>permit</u> certified by their principal, including when travelling for work.</p> <p>Staff permitted to work in a school are unable to enter any workplace other than the one for which they have a permit. Staff should not work across multiple schools.</p>

Guidance	Action to mitigate the introduction and spread of COVID-19
	<p>Upon arrival at the campus or office, staff, students, visitors and contractors to be reminded to 'stay home if unwell'. They will be asked to confirm if they or anyone at home have:</p> <ul style="list-style-type: none"> – experienced fever or flu-like symptoms, such as coughing, sore throat and fatigue – experienced shortness of breath – been in close contact with someone who has returned from overseas in the last 14 days – been in close contact with someone with a confirmed case of COVID-19. <p>If upon arrival or during the day anyone exhibits COVID-19 symptoms, they will be immediately isolated. An incident report will be completed and the person encouraged to self-isolate until they can be tested and receive the result.</p> <ul style="list-style-type: none"> – Staff and visitors are being reminded to remain hyper-vigilant in maintaining good personal hygiene. <p>For more information: School Operations Guide (Term 2).</p>
<p>Establish a system for managing visitors and large events.</p>	<p>Visitors Visitors to school premises should be limited to essential school services and operations. The density limit of 1 person per 4 square metres should be applied to any spaces and activities being attended by parent/carers and other visitors. The density limit applies to all persons in the space, including students. QR codes and record keeping The use of Service Victoria QR codes for electronic record keeping is mandatory in all schools to enable the effective contact tracing of any COVID-19 cases. QR code check ins are required to be used by:</p> <ul style="list-style-type: none"> ○ all essential visitors on school site (including contractors, external MACS staff and building and maintenance staff) ○ all parents who enter school buildings when on school site for essential purposes <p>QR code check ins are not required to be used by:</p> <ul style="list-style-type: none"> • staff • students • parents of eligible students who come onto school grounds for drop off or pick up, but do not enter buildings. <p>Schools are reminded that existing sign in and out processes should continue to be used to record essential visitor attendance, in particular the purpose of visits, for legal and regulatory obligations Further information is available at: https://www.coronavirus.vic.gov.au/victorian-government-qr-code-service</p> <p>Metropolitan Melbourne Schools Camps and overnight stays for metropolitan Melbourne schools cannot take place at this time.</p> <p>All Victorian Catholic Schools:</p> <ul style="list-style-type: none"> – Excursions are not permitted and cannot take place at this time. – Outdoor and indoor pools use and swimming cannot occur at this time. School pools should be closed for this period. – Sporting activities (indoor, outdoor, contact and non-contact) must be postponed. – Physical activity - Students receiving on-site supervision can participate in outdoor, non-contact physical activity – Singing, brass, woodwind classes and groups must be postponed or occur remotely during this time. – Playgrounds remain open for school use only by students receiving on-site supervision but are not available for community use at this time. – Drinking fountains can remain open. Cleaning and sanitation should occur daily.

Guidance	Action to mitigate the introduction and spread of COVID-19
	<ul style="list-style-type: none"> - Use of school facilities by community and sport groups, such as ovals and pools, is not permitted. - School tours should not be conducted on-site for prospective students and their families at this time. - Non-essential visitors should be excluded from school sites for this period. - Non-essential meetings, and all school events, gatherings and assemblies should be deferred or held remotely. - School bus services across the state will continue to operate as normal. Students are not required to check-in via a QR code service when travelling on private school buses or disability transport services, however school bus services are required to keep accurate records of students and staff (including drivers) accessing these services should this information be required for contact tracing. For more information, please see https://www.coronavirus.vic.gov.au/school-bus-services - Other curriculum settings such as the Victorian School of Languages and Science Centres should provide remote learning programs and activities where possible, with staff working from home. <p>For more information: School Operations Guide.</p> <p>For more information: School Operations Guide.</p>
<p>Configure communal work areas so that there is no more than one worker per two square metres of enclosed workspace, and employees are spaced at least 1.5 metres apart. Also consider installing screens or barriers.</p>	<ul style="list-style-type: none"> - Common rooms and areas accessed by the public (reception areas) in each campus or office will be inspected and seating arrangements staggered to promote physical distancing in line with one person for every four square metres. - Floor marking will be introduced to maximise physical distancing. - Staff and visitors are being reminded to remain hyper-vigilant in maintaining good physical distancing, at all times. - Workstations, classrooms and reception areas will be reviewed and, wherever possible, reconfigured or modified to reduce the risk of person-to-person or person-to-surface transmission. - Shields, barriers and signage will be considered as part of the control measures. <p>For more information:</p> <ul style="list-style-type: none"> - School Operations Guide (Term 2) - Health and safety advice for all Victorian schools.
<p>Minimise the build-up of employees waiting to enter and exit the workplace.</p>	<ul style="list-style-type: none"> - Schools must implement actions to reduce the congregation of adults around the school and ease congestion. Schools can do this through strategies such as the use of multiple entry/exit points, creating spaces for egress in different areas of the school and appropriate signage to communicate expected behaviours. - Schools must communicate the strategies in place to parents through local signage and school communications (e.g. letter and newsletter) to remind staff, students and families of the need for behaviours that support physical distancing. <p>For more information: School Operations Guide (Term 2).</p>
<p>Provide training to staff on physical distancing expectations while working and socialising (e.g. during lunchbreaks).</p>	<p>Staff and adult visitors are being briefed to follow physical distancing rules:</p> <ul style="list-style-type: none"> - Remain at least 1.5 metres from other individuals wherever possible; follow the 'one person per four square metres' rule. - Only have one person in small work areas. - Avoid shaking hands, hugging or touching others. - Avoid large gatherings indoors. - Hold meetings outside in the open air if possible. - Always use good hand and cough/sneeze hygiene. - Eat lunch outside rather than indoors if possible. - Don't share food or drinks in the workplace. - Practise the hygiene and cleaning protocols detailed in this plan. <p>All staff on site are trained in the 'School and Early Childhood Infection Prevention and Control During Coronavirus (COVID-19)' eLearn module.</p>
